Personal Services

Assistive Services (Assistive Technology, Home Modifications)

Contact your local SRS Eligibility Worker for additional information and referral.

These and additional services available under the I/DD waiver are referred to in the handbook distributed by the Kansas Department for Aging and Disability Services titled “Developmental Disabilities handbook, Services for Persons with Mental Retardation or Otherwise Developmentally Disabled MR-DD”, dated December 2010.

It is required that all persons receiving community services, and their families/guardians, be provided on an annual basis information about services and service providers in the CDDO area. Should you choose to change service providers you may contact the New Beginnings Enterprises, Inc. CDDO Director for assistance at (620) 325-3333.
